

Nicole Riemer

Department of Atmospheric Sciences
University of Illinois at Urbana-Champaign
Urbana, IL 61801
(217) 244 2844
nriemer@illinois.edu
<http://www.atmos.uiuc.edu/~nriemer/>

Education Background

Diploma (equivalent to B.Sc. and M.S.), Meteorology, University of Karlsruhe, Germany, 1997
Doctorat (equivalent to Ph.D.), Meteorology, University of Karlsruhe, Germany, 2002

Academic Positions since Ph.D.

Assistant Professor, Institute for Terrestrial and Planetary Atmospheres, School of Marine and Atmospheric Sciences, Stony Brook University, NY, USA, 3/2005-12/2007
Adjunct Assistant Professor, Institute for Terrestrial and Planetary Atmospheres, School of Marine and Atmospheric Sciences, Stony Brook University, NY, USA, since 1/2008
Assistant Professor, Department of Atmospheric Sciences, University of Illinois at Urbana-Champaign, IL, USA, since 1/2008
Associate Professor, Department of Atmospheric Sciences, University of Illinois at Urbana-Champaign, IL, USA, since 8/2014

Other Professional Employment

Research Scientist, Institute for Meteorology and Climate Research, Karlsruhe Institute of Technology, Germany, 2002
Postdoctoral Scholar, Department of Mechanical and Aeronautical Engineering, University of California, Davis, CA, USA, 1/2003 – 3/2004
Postdoctoral Scholar, Center for Turbulence Research, Stanford University and NASA Ames, CA, USA, 4/2004 - 2/2005

Honors, Recognitions, and Outstanding Achievements

Member of the German National Academic Foundation, 1995 (Scholarship awarded to top 0.3% of German students who demonstrate academic excellence in their chosen field of study and show a strong sense of social responsibility)
Scholarship from the German National Academic Foundation (one of 1000 Germany-wide) to study at the California Institute of Technology, 1997
Presenter at “Science Alive” (week-long public exhibition by the Herman von Helmholtz Organization in Munich), 2000
Presenter in the Young Talents Speaker Series at the Forschungszentrum Karlsruhe, 2002
Invited Presenter at Telluride Workshop on Organic Aerosols 2006
Recipient of the Hewlett International Travel Grant 2009
Invited Presenter at Telluride Workshop on Aerosol-Cloud interactions 2010, 2012, and 2014
Recipient of NSF-CAREER award 2013
2014-2015 I. C. Gunsalus Scholar

List of Teachers Ranked as Excellent for the following courses:

Fall 2008 for ATMS 301, Atmospheric Thermodynamics, required course with 16 students enrolled.
Fall 2009 for ATMS 301, Atmospheric Thermodynamics, required course with 15 students enrolled.
Spring 2010 for ATMS 597, Aerosol Dynamics and Chemistry, elective course with 13 students enrolled.
Spring 2011 for ATMS 306, Cloud Physics, elective course with 11 students enrolled.
Fall 2011 for ATMS 301, Atmospheric Thermodynamics, required course with 31 students enrolled
Spring 2012 for ATMS 420, Atmospheric Chemistry, elective course with 18 students enrolled

Spring 2013 for ATMS 597, Aerosol Dynamics and Chemistry, elective course with 6 students enrolled.

Fall 2013 for ATMS 504, Physical Meteorology, elective course with 15 students enrolled.

Spring 2014 for ATMS 420, Atmospheric Chemistry, elective course with 20 students enrolled

Membership and Offices Held in Professional Societies

American Geophysical Union (AGU) since 2003

American Association of Aerosol Research (AAAR) since 2003

Member of the American Meteorological Society (AMS) since 2008

Member of the International Commission on Atmospheric Chemistry and Global Pollution (2010-2014)

Aerosol Chemistry Working Group Vice Chair of the American Association of Aerosol Research (AAAR), 2011

Aerosol Chemistry Working Group Chair of the American Association of Aerosol Research (AAAR), 2012

Member of the American Association of Aerosol Research (AAAR) Publications Committee since 2012

Member of the advisory panel for the Environmental Molecular Sciences Laboratory (EMSL) Atmospheric Aerosol Systems Science Theme (2014)

Editorships of Journals

Editor, *Aerosol Science and Technology*, 2014–present

Editorial Board member, *Atmosphere*, 2012–present

Editor, *Atmospheric Chemistry and Physics*, European Geosciences Union, 2009–2014

Editorial Board member, *Atmospheric and Climate Science*, 2011–2014
