

p. 204, Eq. (7.14), the first bracketed term on the right-hand side should include a $(\partial w/\partial z)^2$ instead of $(\partial^2/\partial z)^2$.

p. 211, Fig. 7.12a (and corresponding color version): The text box should read: "Ascent on the downshear flank". This is correctly described in the figure caption and on p. 209. A correct version of the figure can be found on the book website.
